(ONLINE: **Print the form** and follow instructions below. Online orders are not accepted.)

- 1) Fill out the form. Provide valid VisaCard or MasterCard account information as requested. (You can pay by cash or check when you pick-up your order, but the credit card is required in order for us to fill your order and to guarantee any check you may use to pay for it).
- 2) Sign the form.
- 3) Return it to us via post, via fax or in person. If we are not home drop it into the mail slot in our front door. **Phone orders are not accepted.**

When to order:

Orders must be received by us, by one of the methods described above, no later than Tuesday, midnight, of the week you would like to pick-up your order.

How to Pickup your order:

Orders can be picked-up on **Saturdays between noon and 3 PM**. There may be additional packaged goods items (like olive oil or dry pasta, etc) available for purchase at the time of pickup with no advance order requirement.

If you are coming to dinner on Thursday or Friday evening you can request, via phone, to pickup your order at that time. We will do this if we think we can have the entire order ready by that time—otherwise it will have to remain a Saturday pickup. You should call ahead on our reservations line—extension 1—and pre-arrange for this service. Lupe will be happy to assist you.

Product Availability

Some of your selections will not always be available. In the event that we believe that we may be unable to fulfill some part of your order we will contact you **once** at the phone number you provide us on the order form. We assume no responsibility for such product shortfalls. The balance of your order will remain valid unless cancelled in writing 48 hours before the scheduled date of pickup.
